

Sharon West Lands

Dorsay's 98 acre land parcel in the Town of East Gwillimbury was purchased in June 2005. It provided an opportunity to develop a comprehensive plan for a low-rise residential community. Dorsay received Draft Plan Approval from council in the spring of 2010. Servicing on the Sharon West Lands is anticipated to commence in the spring of 2011, with completion anticipated in 2012.
